## Dear Subscriber,

*Booking a flight on the Star Alliance Network has never been easier.*

*In addition to our website's fresh redesign (which went live only a few weeks ago), we have also partnered with Skyscanner to enhance flight searching capabilities that includes multi-carrier journeys.*

*Simply input your travel preferences on [booking.staralliance.com](http://booking.staralliance.com) and obtain your search results that include price, duration, airlines etc. You may then select the option that best suits your travel needs and finalise the booking process directly on the member carrier's website.*

*My advice: Best try it out by yourself for your next flight. Happy shopping and many happy landings!*

*Please enjoy reading and discovering our member carriers' latest news.*

*With best regards,*

## Star Alliance Partners with Skyscanner on Multi-Carrier Itineraries

Refresh of [staralliance.com](http://staralliance.com) features not only new look but also improved functionality for customers. Star Alliance, the world's largest airline alliance, has partnered with Skyscanner, the world's travel search engine, to allow travellers visiting the Star Alliance website to search for flights, view airfares and book them directly with its member airlines. This feature, easily accessible alongside the popular [lounge finder](#), flight status and other journey-related services, utilises Skyscanner's fare search, linking directly to the alliance's member carrier websites for purchase.
