Clicking on the **picture of the aircraft** you are linked to connection details of the local representation of the airline. This allows you to get in contact with the local team, if needed.

And finally, if you use the **specific button "Travel Agent Website"** you will be guided to member carrier's dedicated travel agent website. Here you will find a lot of content provided especially for travel agencies.

Once a year we would like to give you that service from now on so that you have the full picture about our alliance. I recommend you to carefully save this email so that you can make use of it, whenever needed.

In that sense I would like to thank you also for the great collaboration throughout the year.
